

# 10

## REASONS TO CHOOSE EPIC RESINS

### QUALITY

# 1

We commit to excellence, every day. Satisfying our customers' needs with superior products, innovative technology and outstanding service allows us to deliver exceptional value to our customers.

### CUSTOMER RELATIONSHIPS

# 2

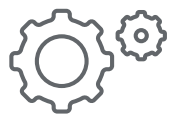

Our goal is to deliver beyond expectations. We strive to make our customer's lives easier by developing relationships that make a positive difference in their success.

### RESPONSIBILITY

# 3

We act with uncompromising honesty and integrity in everything we do for ourselves and our customers. We work smart and take care of our team to ensure sustainability and success.

### INNOVATION

# 4

Our innovative solutions have solved complex challenges in nearly every manufacturing industry for decades. Comprehensive testing supports all of our products.

### TECHNICAL SUPPORT

# 5

We work directly with your engineering and manufacturing departments. This enables us to provide you with effective solutions to fit your demanding needs.

### EXPERIENCE

# 6

Our experts partner with you, leveraging our background in multiple chemistries and applications to recommend products or develop solutions fit for your specifications.

### BROAD PRODUCT PORTFOLIO

# 7

Our vast catalog of products is built on technology-proven chemistry. We offer our clients short lead times, fast turnarounds, affordability and a consistent product.

### CUSTOMIZED FORMULATION

# 8

In addition to our extensive epoxy resin and polyurethane selection, we excel at formulating products to meet specific requirements of clients in a range of industries.

### COMPREHENSIVE TESTING

# 9

Minimize your investment risk with products that are tested to the highest industry standard. We are equipped with the latest equipment to ensure consistent quality products.

### PEACE OF MIND

# 10

Our philosophy is based on relationships, quality and integrity. Through continuous improvement of our products and manufacturing processes, you get the best product at the most competitive price.
